Dear Judge Moorer,

On June 2, 2023, I was sentenced to 48 months for Conspiracy to Commit an offence in the Southern District of Alabama Federal District Court. I arrived at FCI-Waseca in Waseca, Minnesota on July 5, 2023 to serve my sentence.

On November 1, 2023, The United States Sentencing Commission approved the implementation of legislation and sentence relief for zero criminal history point offenders. I qualify under the guidelines set forth in 18 U.S.C. 3582 (c)(2), part A of Amendment 821, 4C1.1. I may qualify for another type of incarceration under 28 U.S.C. 994(j), 5C1.1.

I am currently on all available First Step Act waiting lists offered at FCI-Waseca, however, waiting lists are lengthy due to over-population. I have completed Adult Continuing Education classes including Stress Management, Cross Stitching, Stretching to Stay Young, U.S. History, Geography, Economics, Basic Math, Self Empowerment, Outdoor Recreation Design, Cell Biology and U.S. Government. I will continue to actively program to reduce my recidivism. I am employed as a Librarian in the Recreation Department.

To rehabilitate my mental health, I meet with a psychologist every few weeks. I will begin the Residential Drug Abuse Program this month and will continue to better the future for myself and children every day during this 9 month program. During my incarceration, I have maintained perfectly clear conduct with no sanctions. While at FCI-Waseca, I have been paying my restitution and current on the FRP payment plan.

I spend my productive conduct time reading, physical fitness, attending church and in person Bible studies including Max Lucado and Andy Stanley. I also am enrolled in Bible College, American Bible Academy.

My release plan includes returning to my husband's family in Nebraska, maintain my relationship with my children (ages 7 and 13), attend church at Glow Church in Ralston, Nebraska and continue mental health treatment. Your decision to reduce my sentence under these new guidelines will allow me to return to Nebraska with my family, actively raise my children, repay my restitution and live as a productive, law abiding citizen.

Thank you for your consideration.

Sincerely,

Jenna Bottorff
